How will your children hunt tomorrow?

The Hunter Heritage Foundation of Alaska was established to provide private resources to the effort of training new hunters and educating the public about the benefits hunting brings to wildlife conservation.

Endorsed by the Alaska Department of Fish and Game, the HHFA has been an active partner in the Alaska Hunting Clinic Series since its beginning in 1995. Long term plans include educational projects promoting hunting's important role in wildlife manage-

ment and the cultural heritage of Alaskans. All contributions to the HHFA are tax deductible and will be used entirely for projects that benefit hunting's future. Please send your contribution to:
